Session 1 July 11-15

Hilltop Summer Olympics

This noncompetitive fun-filled week will make your little Olympian shine with pride and confidence. We will start the week with a torch run, create flags, and continue with Olympic style games and activities like relay races, goofy obstacle courses, sack races, and much more.

Everyone will be a winner!

Session 2 July 18-22

WILD SPROUTS

Grab your binoculars and water bottle for a hike to explore our natural world. On our daily adventures, your child will visit where the City and Forest meet. We will learn about bugs, forest animals, birds, as well as plants and seeds. Kids will make their own sun tea, fresh fruit popsicles, enjoy storytelling under a canopy of trees and have fun with songs, crafts, and play all in the great outdoors.

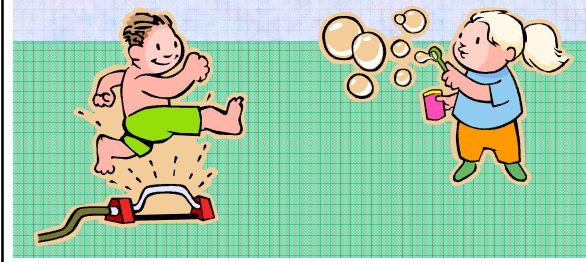

Session 3 July 25-29

Waterlogged

A water lover's dream where your child will enjoy splishing and splashing all week long. Sprinklers, Slip-and-Slide, water toys, and bubbles galore are only a few of the countless ways we will dive into aquatic fun.

Be prepared to get WET!
